

PRO  **FAST**

GRIZZLY™ **EQUIPMENT**

391 000 SEAM ROLLER

An excellent way to seal your seams without air pockets or fish mouths. A rotating disc with rollers applies uniform pressure to the width of the seam pushing out air bubbles and pressing down fish mouths. No more working on your hands and knees and no more backaches. This **GRIZZLY** seam roller features a Honda engine and a single lift ring for safety.

Made to order.

 **WEIGHT:** 110 LBS
